## human biology for social workers

www.textbookequity.org -  
Developmental social work,  
which is also known as the  
social development  
approach to social work,  
emphasizes the role of  
social investment in  
professional practice. These  
investments meet the  
material needs of social  
workers' clients and  
facilitate their full  
integration into the social  
and economic life of the  
community. Developmental
